This letter provided by

_____ (material manufacturer) is to provide confirmation that the CUFCA licensed spray polyurethane foam installer,

_____ (installer's name), has proven the level of competence required to properly install our medium density spray polyurethane foam insulation in homes and buildings. The level of competence shown includes the knowledge required for the start up sequence, proper monitoring of the specific settings and operation parameters and to identify potential problems with our product being installed. Proper safety procedures for the operation of the equipment are included in their level of competence.
